Under management of Lake Henshaw Resort Inc.

LAKE HENSHAW RESORT

RULES - Please observe these simple rules.

Our dock man wants to help you and answer any questions you might have about the boats, motor and safety equipment.

For safety sake, we advise you not camp under oak trees.

Children must have adult supervision at all times and particularly in the pool area, public buildings, lake shore and fishing float. Parents are fully responsible for the safety and conduct of their children and will be held responsible for any and all damages.

Pets are welcome but must be on leash at all times. The law requires this. They are not allowed in the pool and recreation areas.

Extreme caution must be used regarding open fires. They must be attended at all times and totally extinguished upon leaving.

Please help us keep a clean area. Trash receptacles are throughout for this purpose.

Speed limit throughout the resort is 10 MPH. Watch for children. Motor driven bikes are not permitted in the recreation vehicle park, camping or cabin areas at any time.

Our quiet hours are from 10 p.m. to 6 a.m. Please be considerate of your neighbor.

Observe posted signs.

Holding tanks and porta-potties must be dumped at the dump station. Key at R/V Park office.

Ten miles per hour speed limit on the lake is enforced.

Permits for fishing and boat and motor rental must be arranged for at the resort office.

Fishermen must be off the lake at posted hours.

Violations of these rules may result in expulsion from the park with no refunds and refusal of future admittance.

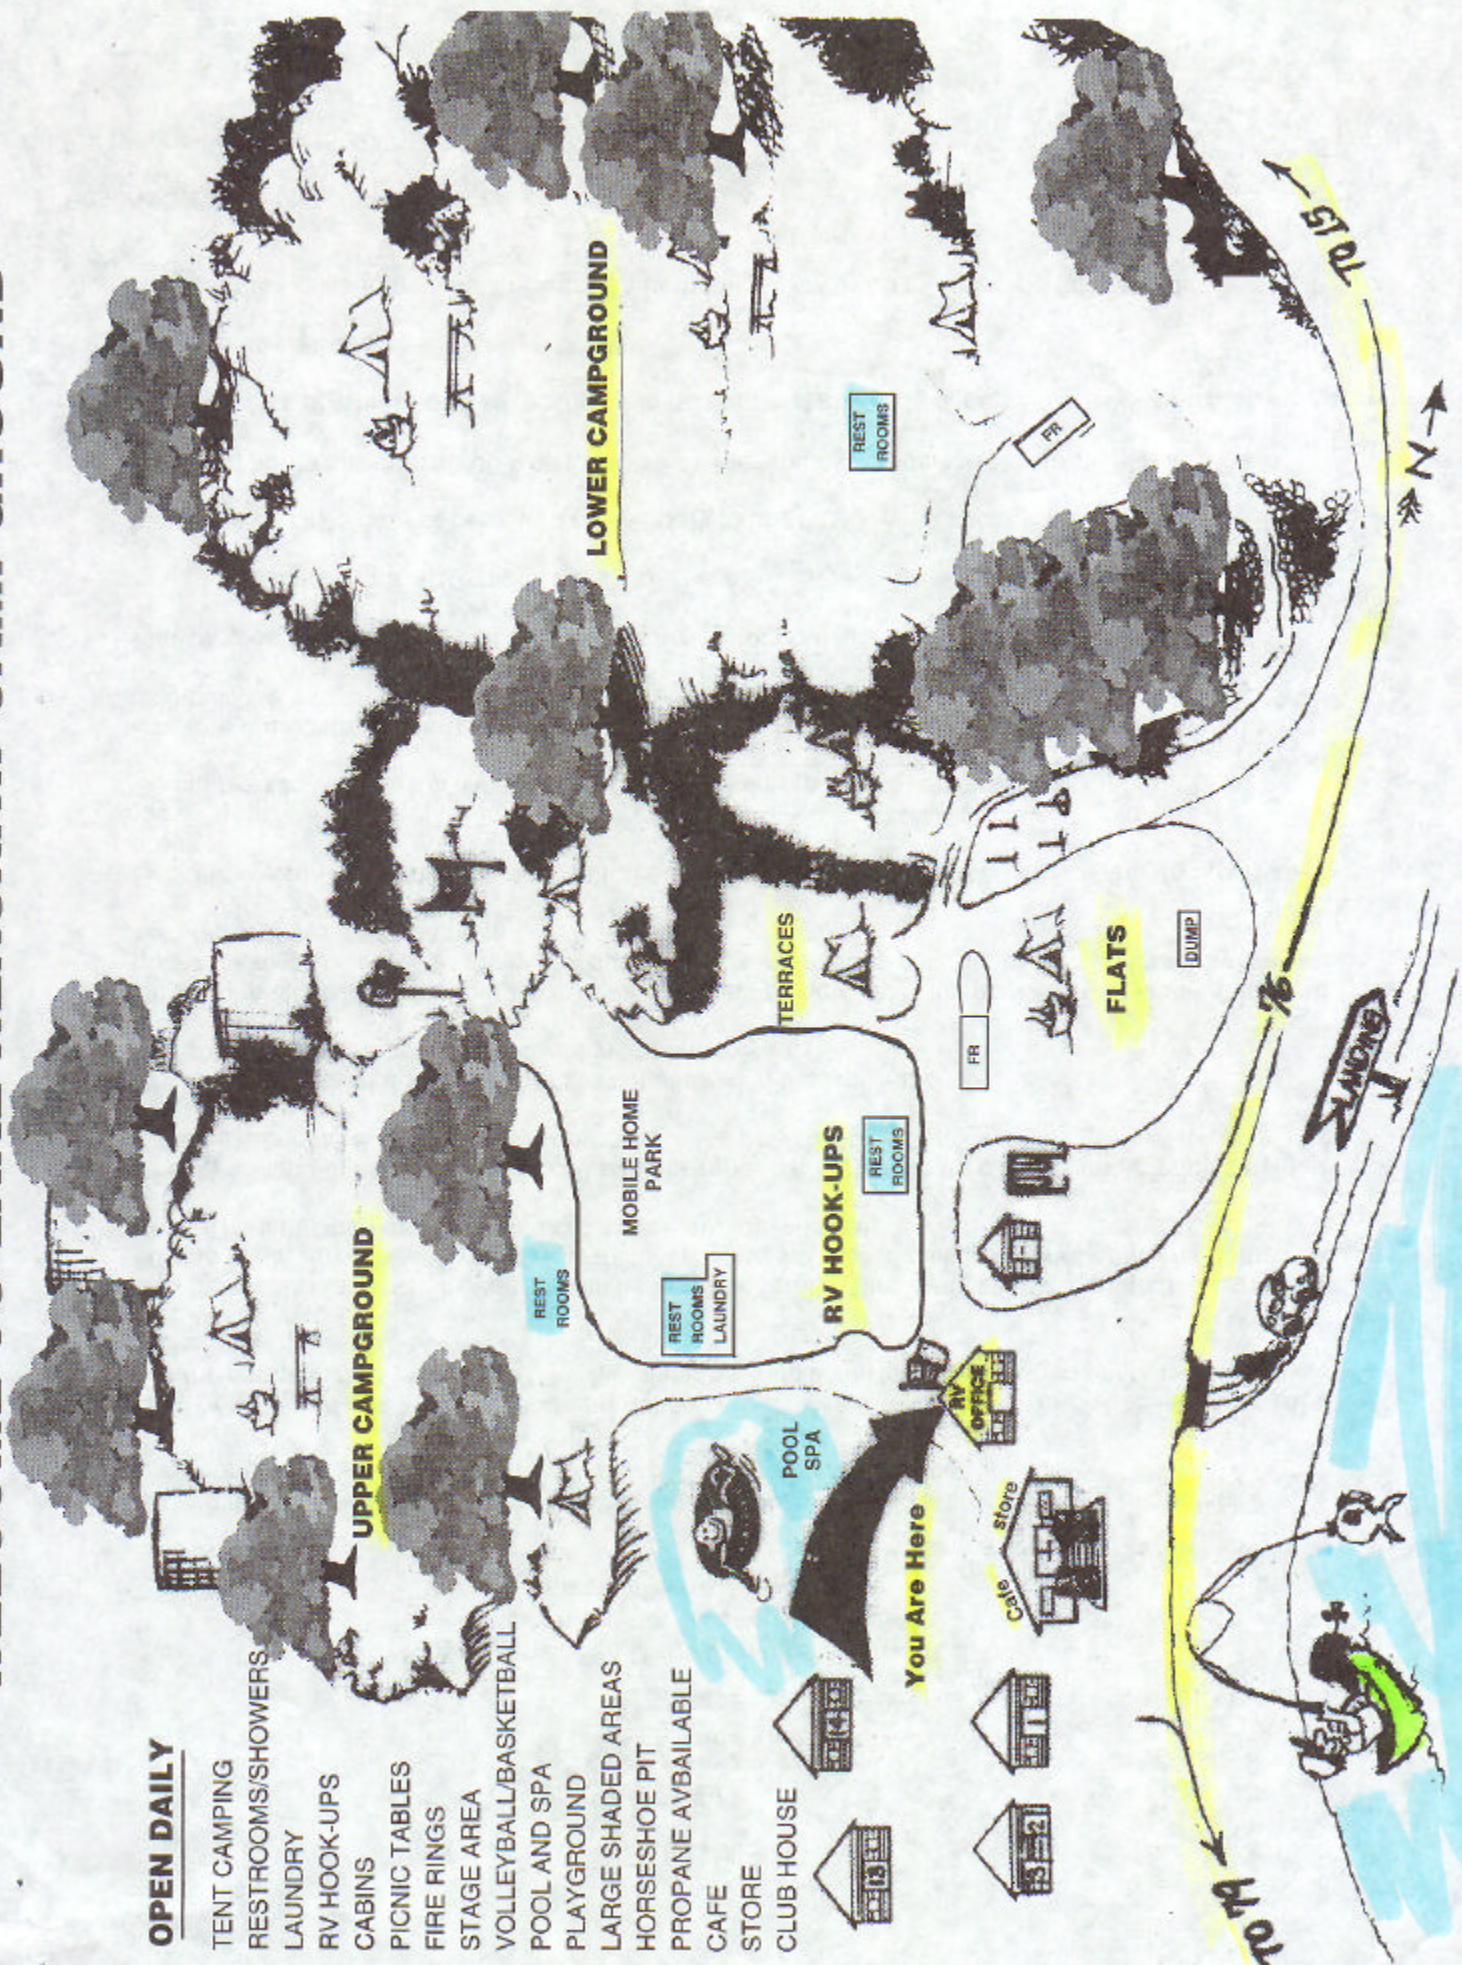

Enjoy yourself and come back soon and often.

 The entire area abounds in native and western lore and we are just 14 miles from the telescope on Palomar Mountain.
